Our Dual Identity: Manufacturing & Brand Innovation

Kids Kreations Co., Ltd

OEM/ODM infant garment and textile manufacturer based in Thailand with over 23 years of industry experience. We have also expanded into microfiber-based projects, supporting high-volume towel and custom textile production with automated precision

- ✓ Full-service support: product development, sourcing, manufacturing, custom packaging, and international export.
- ✓ ISO 9001 certified. Ethical production. Reliable timelines.
- ✓ Scalable capacity & consistent quality — trusted by global brands and boutique labels.

Elegant Kids

Boutique-Ready Babywear, Designed to Sell

Our premium in-house brand, crafted for gifting, retailers, and curated online stores.

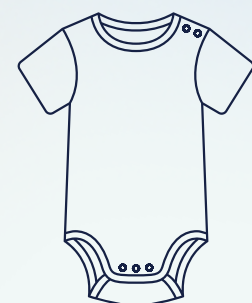

- ✓ Organic cotton, ultra-soft finishes, and seasonal gift sets.
- ✓ Beautiful retail packaging and ready-to-ship SKUs.
- ✓ Trusted across the Middle East and Thailand — expanding globally with curated retail-ready collections.

Our Manufacturing Footprint

Kids Kreations operates across three strategic production sites in Thailand, including our 6,000 m² headquarters in Bangkok and two factories in the north.

Together, they enable:

- Full product lifecycle control (design to dispatch)
- High-volume seasonal output with strict QC
- Fast, flexible turnaround to meet global buyer demand

KIDS KREATIONS CO., LTD

Why Partner With Us

We don't just produce, we partner with brands to help them grow. From fast-moving retail SKUs to boutique gifting collections, our team helps clients scale with confidence.

DESIGN-LED OEM SUPPORT

Build entire collections from just a logo. Our in-house team creates planograms, sample packs, and branded packaging.

CERTIFIED MATERIALS & QC

OEKO-TEX®, GOTS (on request), antibacterial fabrics, and ISO-backed QC processes at every step.

SCALABLE + RELIABLE PRODUCTION

6000 m² facilities, 400+ staff, and consistent 90–120 day lead times across diverse SKUs and global markets.

From Idea to Shipment: How We Build Your Brand

1. Share Your Brand Idea or Logo

We accept brand guides, sketches, or visual references to kickstart the design process.

2. Planogram & Sampling

Our team designs the complete product set and packaging, tailored to your brand.

3. Sample & Pricing Approval

Digital or physical samples are sent for your approval before mass production begins.

4. Bulk Production

Full production begins with a 90–120 day turnaround and a comprehensive QC process.

5. Packaging & Shipping

Final products are custom-packed and shipped under FOB Bangkok or CIF terms, with full QC documentation and export support.
